Code of Conduct

Dear Customer,

At Elprinta we believe that our success is made possible with relations of trust, integrity and professionalism with our employees, commercial partners and government authorities.

As a company in the Electronic Industry we make the commitment to adopt the code of conduct of “Responsible Business Alliance”. The RBA is an internationally recognized standard which covers a variety of topics.

You can read the Responsible Business Alliance code of conduct in your own language by following this link :

<http://www.responsiblebusiness.org/standards/code-of-conduct/>

In case of any changes, this declaration will be updated as soon as possible.

Mouscron, 22-08-18
